FOR IMMEDIATE RELEASE

Open house scheduled for Feb. 24 to discuss new ValleyRide bus service in Southwest Boise

BOISE – ValleyRide bus service is coming to southwest Boise and Valley Regional Transit wants to know what you think about it.

An open house to provide information on the new bus route has been scheduled for 11 a.m. to 7 p.m. Thursday, Feb. 24 in the Frank Church High School Library, 8051 W. Salt Creek Ct.

The proposed route would begin service sometime this spring. It would provide service between Boise Towne Square Mall and the Boise School District offices on Victory Road. Service areas would include Bishop Kelly High School, government offices along Barrister Road, the Black Eagle Business Park, Stevens-Henagar College, shopping areas along Overland between Cole and Maple Grove Road, and Frank Church High School/West Junior High/Victory Academy.

If you are unable to attend the open house, but want to learn more about the proposed service, you can visit www.valleyride.org. The website also contains links to an online comment form and to ask questions about the route
