

Proposed Medium-Term Improvements

Transit

- Expand transit service (Route 9) to downtown Eagle
- Add north/south routes that connect to State Street

Roadway

- Widen State Street to include curbside HOV lanes, pedestrian facilities, and bike lanes between 23rd Street and Glenwood Street
- Widen State Highway 44 to include four travel lanes with bike and pedestrian facilities between State Highway 16 and Ballantyne Lane

Land Use

- Plan and develop initial stages of TOD sites
- Expand and add Park & Rides
