- » The one-day pass is the only pass that can be purchased on the bus. The \$13.50 and \$27 stored value cards can be purchased at pass outlets, the VRT Meridian office, Happy

Day Transit Center and Main Street Station. If you want to ride a fixed-route bus and do not have exact change, the fare box will issue you a stored value card for the amount of change due to you.

» All passes (except for the one-year pass) expire one year from the day of purchase.

» To ensure accurate ridership counts, every passenger boarding the bus must use some form of payment (cash, stored value, one-day or longer pass). If you are scheduling a large outing or field trip and plan to ride ValleyRide buses, each passenger must use one of these payment options. One-day passes can be purchased on the bus in separate transactions or bought in advance from our Help Desk at 208-345-7433.
