Questions and Answers**

Addendum #1 for Valley Regional Transit Request for Quote CAN-BASE-FM-25-1, Landscaping Services is hereby made part of the project requirements and contract documents for the referenced project. Please note, failure to acknowledge this Addendum does not relieve you from fulfilling the Addendum requirements.

The following questions have been addressed and now part of the procurement process:

Questions and Answers:

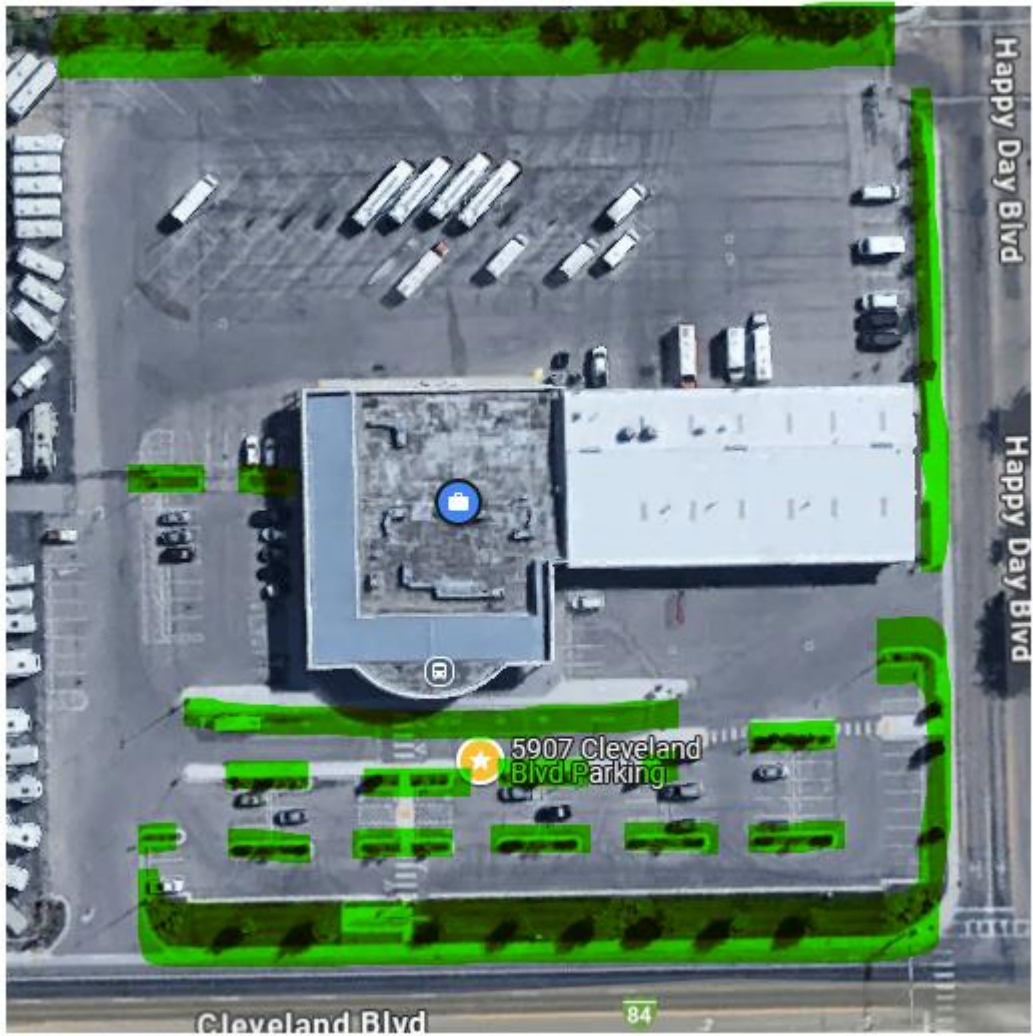

1. **Question:** Can VRT schedule a pre-quote meeting (walkthrough) of the area requiring landscaping services. Will a plot map of the required service area be available for review.

Answer:

A pre-quote meeting has been scheduled for Friday, January 31, 2025, at 1 PM at the following location:

Valley Regional Transit, Happy Day Transit Center (HDTC) facility located at 5907 Cleveland Blvd, Caldwell, Idaho 83607.

Below is a plot map of HDTC, the areas hi-lighted in green are areas that need to be serviced. Clean-up of all waste materials (lawn clippings, trash, tree/shrub trimming and debris) will be completed on every service visit. All waste materials will be disposed/removed in a proper manner that is compliant with federal, state, and local regulations.

There are no other changes at this time.
